

MASTER OF PROFESSIONAL ACCOUNTING

EDWARDS
SCHOOL OF BUSINESS
UNIVERSITY OF SASKATCHEWAN

The University of Saskatchewan's Edwards School of Business is situated in Saskatoon, SK, on Treaty 6 Territory and the Homeland of the Métis. USask is one of the top research-intensive, medical doctoral universities in Canada, and is home to world-leading research in areas of global importance, like water and food security.

Our Master of Professional Accounting (MPAcc) program helps high achieving accounting students who are seeking an accounting designation and a Master's degree. We do this by offering comprehensive accounting education in a supportive classroom environment. Our students graduate with a competitive advantage as business professionals.

This program is CPA accredited. Our successful graduates complete all CPA education requirements and are then eligible to write the Common Final Examination (CFE).

What Will I Study?

Students enrolled in the MPAcc program take classes over two consecutive summers from May through August. Upon completion of the second summer, MPAcc graduates are eligible to write the fall CFE.

Program Benefits

History of Success

Our MPAcc graduates have experienced exceptional results as first time writers on the Common Final Examination.

Award Winning Faculty

Our program is delivered by award winning accounting faculty from across Canada. Our faculty have a wide variety of experiences including industry, public practice, education, and research and have been deeply involved in the creation of CPA resources and cases, as well as our very own Advanced Accounting Case Book.

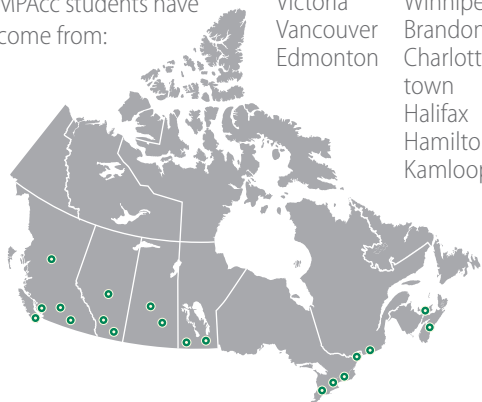

The MPAcc Classroom

With a proven history of excellence, the Edwards School of Business' Master of Professional Accounting program attracts the highest caliber of students from across Canada. Over the last three years, there has been representation from 24 Canadian universities. This diversity creates a classroom discussion of varied backgrounds and experiences and enhances the students learning potential.
