

# MASTER OF SCIENCE IN MANAGEMENT

EDWARDS  
SCHOOL OF BUSINESS  
UNIVERSITY OF SASKATCHEWAN

The University of Saskatchewan's Edwards School of Business is situated on Treaty 6 Territory in Saskatoon, SK, and the Homeland of the Métis. USask is one of the top research-intensive, medical doctoral universities in Canada, and is home to world-leading research in areas of global importance, like water and food security.

## What is the MSc in Management?

The Edwards Master of Science in Management program (MSc Mgmt) is a two-year, thesis-based program designed for those wishing to pursue business research based on their interests.

Our program equips you with highly sought-after skills and competencies and you'll benefit from experiential learning opportunities through coursework and strong personal mentorship.

Specialize in fields such as marketing, finance, or management that encompasses most disciplines in business such as supply chain management, information systems, human resources, organizational behaviour, strategy, management science, data analytics, or behavioural sciences.

## Program Highlights

- The degree can be used as a platform if you wish to pursue a PhD.
- It equips you with a competitive advantage in jobs that have a significant research component in either academia or industry (business analysis, market research, financial analysis, consulting, etc.).
- Gain advanced knowledge and skills to complete and use business research to make an impact on business decisions and operations.
- Learn from award-winning and industry leading faculty.

### Duration

- Two-years, full-time

### Start date

- Fall semester (September)

### Delivery

- Face-to-face in Saskatoon

## What will I Study?

### Finance

**Big questions: Cultural Elements and Corporate Financial Performance:** How culture plays a role in shaping economic outcomes, especially in the context of corporate financial behaviour and financial performance

### Marketing & Advertising

**Big questions: Marketing for Social Impact:** How marketing can be used to support worthy causes/initiatives to help improve people's wellbeing in the long term performance

### Management

**Big questions: Entrepreneurship, Strategic Management & Innovation:** how organizations can use an entrepreneurial mindset to attain specific strategic objectives, and the impact of innovation-related factors on performance

**Big questions: Human Resources, Organizational Behaviour, Organizational Performance, and Employee Well-Being:** how do organizations develop human resource management policies and practices that build high performance cultures, sustainable performance, and employee resilience and well-being?

**Big questions: Operations Management & Information Systems:** how the systems involving humans and machines can be optimized to the benefit of the stakeholders.

### MORE INFORMATION

## Admission Requirements

- Four-year undergraduate degree with cumulative weighted average of at least a 70% over the most recent two years of study.
- GMAT (Graduate Management Admission test): recommended minimum score of 550 or equivalent GRE. The GMAT requirement may be waived if:
  - You have successfully completed a B.Comm. degree from Edwards within the last 10 years and achieved an average of 75% in your last two years of full-time study.
  - You have successfully completed an undergraduate business degree from an accredited Canadian business school (i.e.: AACSB or EQUIS) and have a converted entrance average of a minimum of 80% in the last two years of full-time study.
  - You have significant Canadian research experience, which could include the successful completion of an extensive research project for an advanced undergraduate course, or a minimum of one year working as a research associate for a research group or firm.
- Three confidential letters of recommendation.
- English Proficiency Scores (if required).
- Resume detailing positions held and a description of responsibilities.
- Letter of intent describing future career plans.

### Application deadlines to be considered for funding

- January 31 – International Students
- April 30 – Domestic Students

Completed applications will be reviewed as they are received starting December 15. Applications may be considered for admission (without funding) after the deadline on a case-by-case basis, space permitting.
